Declaring your Major Specialization

You must declare and complete <u>one specialization</u> in order to meet graduation requirements.

Once you have decided which specialization you will pursue to meet your major requirements, please submit a Declare or Update Specialization/Track form through our website.

To change your specialization, please submit a new form.

Applying for Graduation

Graduation is <u>not automatic.</u> Once you complete all your requirements (UC requirements, General Education requirements, Major requirements, Minor requirements if you are pursuing a minor). **You must apply one quarter before your intended graduation date.** The deadline is Friday of Week 8 of the quarter prior to your graduation quarter.

For example: If you plan to graduate in Spring quarter of your senior year, your graduation application must be submitted in Winter quarter.

To submit your application log in to StudentAccess →Applications →Graduation.
