

# Academic Course Plan Worksheet

Use this worksheet to map out your academic progress at UC Irvine. Know that you will need to refine your plan every academic year for accuracy. Use the ICS Academic Year Plan to aid in adjustments: <https://www.ics.uci.edu/ugrad/courses/index-course>

An academic course plan is required for students who plan to pursue a double major or change their major and are over 90 units. Double Major/Change of Major applicants must include courses for all intended majors. You may list general descriptions such as "Upper Division CS course." Do not plan to take over 20 units per quarter. Summer Session should not be included in your plan.
